## Call for abstracts

Submission of abstracts for consideration for the International Symposium on Equine Reproduction (ISER X) is invited at the address given below. Experimental or clinical research in four areas will be discussed at the Symposium: The Stallion; The Non-pregnant Mare; Conception and Early Development; and The Pregnant Mare and Perinatology. The Symposium will comprise 150 short communications divided approximately equally between oral and poster presentations. The Proceedings of ISER X will be published as extended abstracts in a Supplement of 'Animal Reproduction Science' which will be available at the meeting. The deadline for submission of abstracts for consideration for ISER X is 30 November, 2009.

Further details concerning **abstracts** are available on the **ISER website** [www.iser-online.org](http://www.iser-online.org) or from the ISER Secretariat:
