## Proofreader

Matthew D. Utt - University of Wisconsin, Madison, USA

*Animal Reproduction* publishes reviews and original articles related to the basic, applied, and biotechnological aspects of animal reproductive biology. **Manuscripts** should be submitted online to the Editor-in-Chief. Instructions to authors are available at <http://www.cbra.org.br/publicacoes/animalreproduction.do>. *Animal Reproduction* (ISSN 1806-9614) is published quarterly and owned solely by the Brazilian College of Animal Reproduction - BCAR (Colégio Brasileiro de Reprodução Animal - CBRA). Subscriptions and renewals are based on the calendar year. Printed issues of **Animal Reproduction** are available at no cost to the members of the BCAR (CBRA).

All correspondence should be sent to the following address:
